

Forward Spam Message as an Attachment in Outlook 2010

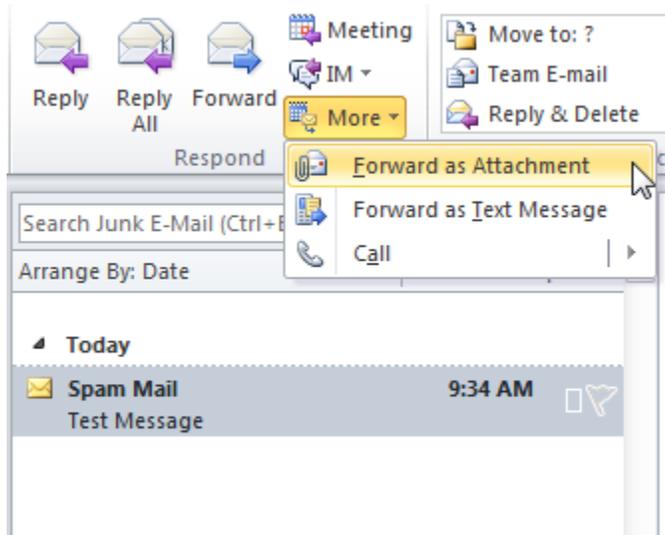

1. Select the message that is suspected to be spam (click on the message once).
2. Ensure the “Home” tab is selected in Outlook.

3. In the “Respond” section click the “More” option, then choose “Forward as Attachment”.

“Respond” section.

“Forward as Attachment” option.

4. You should now have a new email window open with the spam message as an attachment. The email should be sent to spam@edgewave.com as shown in the screenshot below. Click "Send".
